

BL ENTERPRISES

Reliable Components. Smarter Control.

INDUSTRIAL RELAYS & CONTROL COMPONENTS

High performance, reliable and durable relay & protection solutions for industrial automation, control panels and electrical systems.

HIGH RELIABILITY

PRECISE CONTROL

WIDE APPLICATION

QUALITY ASSURED

OUR PRODUCT RANGE

CONTACTORS

- High switching durability
- Low power consumption
- Easy installation

PLUG-IN RELAYS

- Multiple contact configurations
- LED indication available
- Octal & square base options

MODULAR RELAYS

- Compact DIN rail mount
- Multi-function options
- Wide input voltage range

MOTOR PROTECTION RELAYS

- Overload & phase protection
- Digital setting & display
- DIN rail mount

SOLID STATE RELAYS (SSR)

- Silent switching
- High speed operation
- Longer life, maintenance free

THERMAL OVERLOAD RELAYS

- Overload & phase failure protection
- Manual & auto reset options
- Compatible with contactors

TIMER RELAYS

- On delay / Off delay
- Multi time range
- Panel & DIN rail mount

UNDER / OVER CURRENT RELAYS

- Adjustable current setting
- U/C & O/C protection
- LED status indication

APPLICATIONS

Control Panels

Industrial Automation

HVAC Systems

Machinery & Equipment

Power Distribution

**YOUR TRUSTED PARTNER IN
ELECTRICAL CONTROL SOLUTIONS**

Quality Products | Competitive Pricing | On-time Delivery
